

WCA – Woodcreek Community Association Pickleball

As we plan to launch the respective drop-in sessions starting Monday July 6, 2020, it is important that we follow guidelines established by the Government of Alberta.

- We will only be using the four (4) permanent courts.
- Entry to the pickleball courts will be by the south entrance only.
- We will be allowing a maximum of 24 players during these sessions.
- All players must have current WCA and pickleball memberships.
- The recording of participants is mandatory for all sessions.
 - As we do not have an automated signup system at this time, we will require a host to record participants names. No host, no drop-in session.
- Players must identify if they are okay to play with mixed partners or establish a set partner at the onset. The host will monitor.
- Physical distancing must be adhered to and will be monitored.
- Participants waiting to play must remain outside the courts. Gate can be left unlocked during this time.
- Practice high levels of sanitation. Refrain from touching eyes, nose and mouth during activity. Although there is hand sanitizer and disinfectant on site, please bring your own for personal use throughout the drop-in time.

Schedule of Play:

Mondays:	9:00 – 11:30	Mixed 3.5+
	6:30 – 9:00	Mixed Open
Tuesdays:	9:00 – 11:30	Beginner/Novice
	12:00 – 2:30	Mixed Intermediate
Wednesdays:	6:30 – 9:00	Mixed Intermediate
Thursdays:	6:30 – 9:00	Beginner/Novice

To volunteer to host a session, please contact Erin or Sue in the office.
